

New Source Review newspaper advertisements for construction permit applications, November 1, 2018. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications will be published on one of the following dates: October 30, 2018. Public notices are generally published every week. The previous publication of public notices was October 25, 2018.

### PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15<sup>th</sup> Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 2<sup>nd</sup> Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (866) 253-5827 (toll free) or (615) 532-0200. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

### HEADER

The applicant is The Robinette Company with a mailing address of PO Box 3567, Bristol, TN 37620. They seek to obtain an air contaminant permit (Division identification number: 82-0223-01 & 02 / 975271) for the modification of their flexographic printing operations located at 250 Blackley Road, Bristol, TN 37620. This existing operation consists of flexographic printing presses and laminators with natural gas drying ovens. The requested modifications are to add/replace flexographic printing presses and laminators and add a control device for volatile organic compounds. A carbon adsorption bed will be used for initial control and will be replaced with a regenerative thermal oxidizer. There will be physical construction. Regulated air contaminants are emitted by this source. Mr. Steven Simpson is the assigned Division person.

For Sullivan County "Bristol Herald Courier"--publish once on or before Thursday, November 1, 2018.
